The Producer writes:-

This is our fifth production of 'Flying High', and I hope you will enjoy the enthusiastic efforts of our cast. They have rehearsed practically every Saturday evening since the beginning of October, and in addition many have attended specialist rehearsals during midweek. There are over 200 people in the cast or concerned in some way with the production, and it is the combined effort of all of them that has made this show possible. To all of them, I want to record my most sincere thanks. I hope that you will think it has all been worth while.

John Hughes.
