The many ladies and gentlemen behind the scenes who, un-named, made costumes, constructed props and equipment, designed and made scenery, acted as registrars, ran the canteen, transported the cast, sold tickets, set up the stage and helped the stage crew, arranged seating and acted as 'front of house' staff, designed, set up and advised on this programme, and did the hundred other jobs which made this show possible.

.....and many others.

The producer writes:-

This is the sixth 'Flying High', which has been produced every two years since 1968. The cast has been attending rehearsals practically every Saturday evening since the end of September, and many of them on other additional evenings. We have a cast of 137, but another 70 or more have been involved in making the whole show possible. To everyone, cast and helpers, I can only give my most sincere thanks.

There is a great atmosphere among the cast of any Scout and Guide show, and I am sure this will be an event on stage. I hope our enthusiasm will come over to you, and that you will join us in this great experience.
