The Producer Writes . . .

After twenty-two years of biennial shows at Spondon, Flying High now comes to the Playhouse for what we hope will be our lucky thirteenth production.

Following our tenth production we gained the 'Gang Show' emblem from the Scout Association for continued high standard, being the first Scout and Guide show in Derbyshire to reach this level. We consider this production to be the second major milestone of our continued run.

The cast has been rehearsing since last September and many people had been working for months before that date to put together the show you see tonight. I would like to express my thanks to all the cast, the musicians, the production team and the dozens of others who, over the last twenty months, have given up so much time and effort to bring you this entertainment.

I hope you will not be disappointed with our efforts to carry on the tradition, the enthusiasm and the entertainment value of this one of the many facets of Guiding and Scouting.
