Derby East Guides and Scouts

Gang Show

DERBY PLAYHOUSE

**TUESDAY TO SATURDAY
4th to 8th FEBRUARY 1992**

The Producer Writes

This is our fourteenth biennial production of 'Flying High' and the second at Derby Playhouse. We gained a lot from the experience of our first show here and are grateful to the staff of the Playhouse for their help and all they taught us.

The cast have been rehearsing since September, 1991, mainly on Saturday evenings, and all in addition to their normal Guiding and Scouting activities, either as members, leaders or administrators. In addition dozens of others have been giving up many hours of evening and weekend work making scenery, properties and costumes, etc., and carrying out dozens of other jobs to enable us to present the show you now see. To them, and to everyone involved, my sincere thanks for giving so much time and effort in presenting this aspect of Guiding and Scouting to the public.

John R. Hughes

FIRE!

The musical FIRE was composed and directed by Frank Smith; devised, written and produced by John R. Hughes. It was presented at Spondon, Derby, in 1990 to commemorate the 650th anniversary of the fire which burnt out the village of Spondon in 1340. The four songs in the selection given tonight plus 'Party Time' and 'We're Flying High' (amended) are some of the sixteen tunes written specially for the original production.

Can You Help Us?

Almost all the Guide and Scout sections throughout the Area are in need of additional adult help. The Derby East District Scout & Guide Band has temporarily ceased to operate because of lack of skilled instructors. Special activities are curtailed because the extra help needed is not available.

If you are an adult not attached to either movement and would like to help us, or to have further information, please ask one of our members in the foyer. We will all be grateful of your assistance.

The High Flyers

About twenty-five adult members of the cast form a concert party group, the '*HIGH FLYERS*'. During the year when no '*Flying High*' is produced, they are available for charity concerts, residential homes, clubs, etc and offer their services to any organization on an 'expenses only' basis.

They can give a full two-hour show, or reduce it to any length required. The group has been in existence for a number of years and has helped to raise several thousand pounds for charity. Due to the members also being involved in their normal Guiding or Scouting activities, the group is usually only available on Saturdays, but is now taking bookings for January to April 1993.

For further information contact **John R. Hughes** on **Derby 662104**.
