Derby East Guides and Scouts

Gang Show

DERBY PLAYHOUSE

THE PRODUCER WRITES

It was with some apprehension that I agreed to produce Flying High '94. For me this seemed a daunting task and I would like to thank all my fellow members of the production team for their help and support during the last year and a half, the time it has taken to put this Gang Show together.

I would like to pay tribute to John Hughes, our former producer and creator of the Flying High gang shows, whose writing talent, enthusiasm and hard work have made them all possible. The shows have been produced by John, ably supported by his wife Mary, biennially since 1968. John continues with this production as writer and business manager.

The gang have given up their time to rehearse for the past six months to bring you this entertainment, our third at Derby Playhouse. I do hope that you, the audience, will enjoy yourselves and support us in just one of the many Guiding and Scouting activities.

Jean Roulinson.

THE HIGH FLYERS

During the year when we are not rehearsing and producing "Flying High", a group of about twenty-five adult members of the company form the "High Flyers" Concert Party.

They give concerts up to two hours in length, but this is varied to suit the requirements of the group they are entertaining. They generally perform for charity concerts and have raised several thousand pounds for various charities, appearing in most of the towns and a number of villages in Derbyshire. There is normally no charge for performances in the City of Derby, and only charge basic expenses elsewhere. They also give concerts in residential homes, pensioners and other clubs, churches, etc., and will consider requests from any organization. Bookings are now being taken for the period December 1994 to April 1995, normally on Saturday evenings as the members are engaged in other Guiding and Scouting activities during normal week-days.

For additional information contact John R. Hughes by ringing **Derby 662104**.

CAN YOU ASSIST?
