A Word from the Producer

On behalf of the gang, I would like to welcome you to our 1996 production of Flying High. The cast have been rehearsing for the past six months to bring you this show today, as well as continuing with their usual Scouting and Guiding activities.

The show would not have been possible without the effort put in by our many helpers and supporters, who have given their time willingly over many months. I would like to thank them all and in particular to Nancy Brearley, who really has decided to retire from her role as costume director after this show. Nancy and her assistant, Audrey Burgess have dedicated thirty years to Flying High and must have been responsible for some ten thousand costumes in that time. If you are one of our regular supporters then you will appreciate that Nancy's will be a hard act to follow, as we are very proud of our superb and colourful wardrobe.

Thank you for coming along to Flying High '96. I hope you will enjoy the show as much as the gang have enjoyed presenting it for you.
