Flying High

2000

Gang Show

Derby Playhouse

8th - 12th February 2000

Dear Theatregoer

Welcome to Derby Playhouse for tonight's performance of Flying High 2000. The Playhouse has an important role to play in offering first-class facilities to non-professional companies in Derby and we are delighted that Derby East Guides and Scouts are back with us again. We know you will have an enjoyable time in their company tonight.

If you are not a regular visitor to Derby Playhouse, we do hope that you will pick up our new season brochure which will give you more details about our Spring Summer 2000 season. It promises to offer a range of exciting and vital productions which will further our reputation for 'first class theatre for all'. Enjoy your evening, and we hope to see you back at the Playhouse in the near future!

Yours sincerely

a word from the PRODUCER

It is my pleasure to welcome you to Flying High 2000, Derby East's Scout and Guide gang show. I know many of you are our regular supporters and I hope you enjoy our special millennium show. To those of you who are seeing a gang show for the first time, I hope this will be the first of many and that you will support us in the future. The gang have been rehearsing hard and working together with the production and management teams, to bring you this show as well as continuing with their usual Scouting and Guiding activities. This gang show is only one of the exciting range of opportunities on offer to Scouts and Guides. If you would like to join us in Scouting and Guiding or offer help in any way then please let us know.

I would like to thank all our sponsors for their generous support this year. These companies have sponsored items in our programme and have given donations and

services and are listed on our programme and acknowledgement pages. Please support them as they have supported us. The show would not be possible without the large number of leaders, parents and friends who have given up their time voluntarily to help. Thanks to all of them and I hope you enjoy the show today as much as the gang have enjoyed presenting it for you.
