## THE PRODUCER WRITES.....

I am pleased to welcome you to Flying High 2004 at a different venue for us, the Derby Assembly Rooms. The Gang has been rehearsing hard for the past six months to bring you this show today and to those of you who are seeing a Gang Show for the first time, I hope the experience is an enjoyable one, and that you will come again in the future. To our regular visitors, a great big thank you for your continued support. The young people in the Gang really do gain confidence and have a fun time in the show, as well as taking part in their usual weekly section meetings. This Gang Show experience compliments other activities in the Scout and Guide programme and many make new friends for life.

The show is based on the original Gang Show idea devised by the late Ralph Reader CBE, and contains some of his material. We are privileged to wear the famous red scarf, which denotes the official National Gang Show recognition gained by Flying High in 1982.

Our production team remains the same as for our last show in 2002. The move to the Assembly Rooms has been a challenge for us, one which we hope will be a successful one.

I would like to thank our sponsors and programme advertisers who continue to give us their support so willingly. This really does help to offset the huge cost of staging the show. Thanks also to the many who have helped and supported us in any way, it really is appreciated.

So please have a great time and enjoy the show!

Jean Roulinson
