THE PRODUCER WRITES.....

It doesn't seem two years since I was writing this introduction for our last show, which was the first here at the Derby Assembly Rooms. Due to the success of the 2004 show, we are pleased to be here again, the gang having rehearsed for the last six months, as well as continuing with their usual Scouting and Guiding activities every week. There are over two hundred young people and adults from Derby East Scout and Guide Associations both on stage and behind the scenes of this show.

I would like to pay tribute to Jane Miles, our former Head of Wardrobe who gave up the role after the last show. Without a replacement for Jane it has been difficult to organise the costumes this time, but thanks to our sewing team, I think you'll agree that they have done a super job.

I would like to thank our sponsors and programme advertisers who continue to give us their support so willingly. This really does help to offset the huge cost of staging the show. Thanks also to the many who have helped and supported us in any way, it really is appreciated. Thanks also to you, our audience for supporting us by coming to see us.

So please have a great time and enjoy the show!

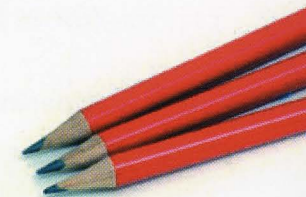

Jean Roulinson
