PHARMACY

THE PRODUCER WRITES.....

I would like to extend a warm welcome to you, our members of the audience, for our 40th anniversary show, celebrating Scouting's centenary last year and Guiding's to be celebrated in 2010. Flying High first took place in 1968 at Spondon Park School, the show based on the original Gang Show idea devised by the late Ralph Reader CBE who died in 1982. It is interesting that Ralph sent his good wishes to the cast of Flying High in the early years writing in the 1970 programme, "I hope you make more and more new friends because of your show, go for it and let that zip come over the footlights and make every member of your audiences envy you and wish they were one of you." We may have more sophisticated lighting these days, rather than footlights but I'm sure Ralph Reader's words still ring true today, many friendships have been made during rehearsals whilst all the gang have been working very hard to bring you this show today, as well as taking part in their usual Scouting and Guiding activities.

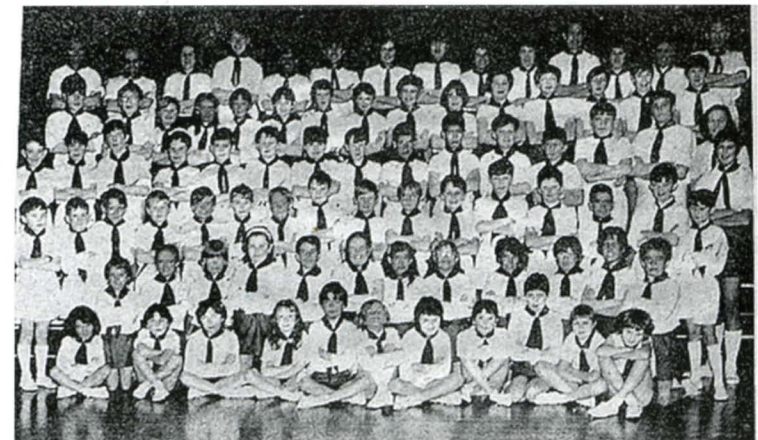

On a sad note, since our last show we have lost three of our long serving members, Audrey Burgess who had been making costumes for nearly forty years, Gordon Fox, cast member and former treasurer and just before Christmas last year, Scout Alex Hall passed away. Alex had been suffering from cancer and had taken leading roles in the last three shows. They are all sadly missed and three of our items are dedicated to them.

I would like to thank our sponsors and advertisers for their generous support again this year. Their donations help us with the enormous cost of staging the show. Thanks also to the many leaders, parents and friends in Scouting and Guiding who have given up hours of voluntary time to help prepare for what you are seeing today. Without them the show would not be possible. We hope it has been worthwhile, we hope you think so too.
