THE PRODUCER WRITES...

Thank you for coming to see Flying High 2012. We welcome you tonight and I know you are in for a great evening of entertainment as everyone involved in this production has been working very hard for the last six months to bring you this entertainment at the Derby Theatre, which I hope you will enjoy.

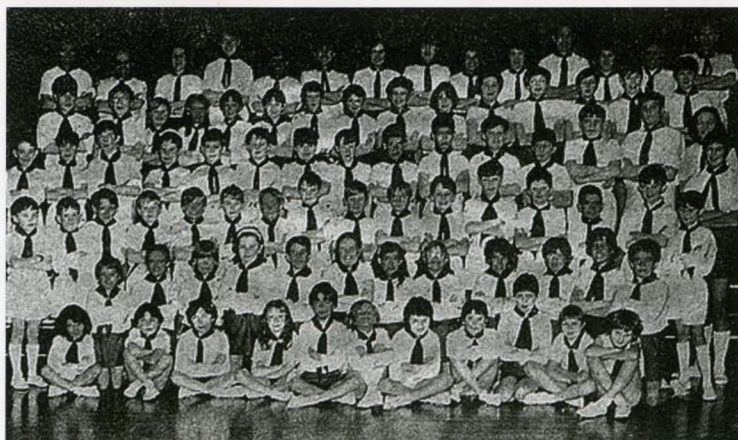

This year is the 80th anniversary of Gang Show, started by the late Ralph Reader who devised and produced the first London Gang Show in 1932. Flying High started in 1968 and we have come a long way since then, gang shows are now devised to suit modern times and Flying High is just one of many exciting activities available for young people in Scouting and Guiding in the Derby area and the show has many adult leaders behind the scenes as well as in the show.

As always I would like to thank our sponsors and advertisers for their generous support again this year. Their donations help us with the huge cost of staging the show. Thanks also to the many leaders, parents and friends in Scouting and Guiding who have given up hours of voluntary time to help prepare for what you are seeing today. Without them the show would not be possible. So please sit back and enjoy Flying High 2012.
