## THE PRODUCER WRITES...

I am pleased to welcome you to our 50th year anniversary show, Flying High 2018, a great night of entertainment from the Flying High Gang.

This is my first show as producer, my fantastic team and I have worked so hard over the last few months to make Flying High the success it is today.

On a sad note our first producer John Hughes passed away last year. He started Flying High in 1968 and he was the producer for my first show as a Brownie in 1972. I am sure a lot of people have fond and fun memories of John and his memory will always live on in Flying High. Jean Roulinson has produced the last 12 shows and has been involved for 40 years, it is an honour for me to take over as producer, as I have been involved in Flying High for the last 46 years. Jean has done a fantastic job and hers are very big shoes to fill.

I know you are in for a great evening but first I would like to acknowledge many leaders, parents and friends in Scouting and Guiding who have helped and supported the production team. I would like to thank our sponsors and programme advertisers who continue to give us their support. This really does help offset the cost of this brilliant show. Thanks must also go to anyone who has helped and supported in any way, this includes you, our audience, for supporting us and coming to see our Gang Show.

Have a great evening.

**Ruth Mill**
